RE: Housing Element

Dear Chairperson Hill and Honorable Members of the Board of Supervisors:

The Templeton Community Service District Board of Directors is requesting that the County of San Luis Obispo make a presentation and accept input on the draft Housing Element. We believe reviewing the proposed Housing Element is important for the Templeton Community and would like to make sure our residents have a direct opportunity to provide input into this process before it is finalized or adopted. We also believe it is important to consult with County and provide input pertinent to the ensuring that the County's goals for the Templeton Community are aligned with the Community's concerns and the District's capacity to provide the necessary services.

Templeton Community Services District will publicize any such presentation that the County schedules with our Board to the Templeton community so that Community Members are aware of the presentation and provided the opportunity to give valuable input. If the County of San Luis Obispo agrees, please schedule your presentation by contacting our General Manager, Jeff Britz. He can be reached at jbritz@templetoncsd.org or (805) 434-4900.

Sincerely,

Geoff English
Board President
