DATE: July 1, 2021

CONTACT: Fire Chief Tom Petersen

FOR: IMMEDIATE RELEASE

SUBJECT: “Safe and Sane” Fireworks Safety Information and Tips for the 4th of July

The Fourth of July will be here in a blink of the eye, and Templeton Fire & Emergency Services wants everyone to enjoy the holiday—safely, particularly when using Safe and Sane Fireworks.

Our Fire Department asks that you make note of the following information:

- The sale and discharge of Safe and Sane Fireworks is limited from noon on July 1st to midnight on July 4th.
- **You may only discharge Safe & Sane Fireworks purchased at the fireworks booths doing business within the Templeton Community Services District boundaries .**
- Firecrackers, cherry bombs, M80’s, bottle rockets; mortar shells are examples of illegal fireworks (anything that flies through the air or explodes!). “Illegal fireworks can cause wildfires, roof fires and serious injuries, however, even ‘safe and sane’ fireworks are dangerous when discharged improperly,” Fire Chief Petersen warns. The National Fire Protection Association reported that children ages 10 - 14 had the highest rate of fireworks injury, with more than one-third (36%) of the victims of fireworks injuries under age 15.
- Always have a responsible adult oversee the use of fireworks - even sparklers can cause second degree burns. And, sparklers account for roughly one-quarter of emergency room fireworks injuries.
- Always have buckets of water or a garden hose ready to distinguish flames/fires. Place discharged fireworks in a bucket of water.
- Never point or throw fireworks (at people or pets).
- Never alter a firework - it’s dangerous and can cause serious injuries.
- Possession of illegal fireworks is a misdemeanor and punishable by up to one year in County jail and a fine of \$1,000.

Stay connected – www.templetoncsd.org – Go to “Notify Me”

- Illegal fireworks may be turned in without penalty to the Templeton Fire and Emergency Services Office located at 206th 5th Street. Please call (805) 434-4911 to make drop-off arrangements due to the COVID-19 Pandemic.

Officials from the California Highway Patrol, the SLO County Sheriff's Department and Templeton Community Services District will be working together to ensure that a safe and enjoyable environment is maintained throughout the holiday period - remember to be "Safe and Sane".

Fireworks are allowed anywhere within the Templeton Community Services District boundaries

EXCEPT:

1. Any Templeton Unified School District property, including parking lots
2. Within 100 feet of the Templeton Feed & Grain building (Main Street)
3. Templeton CSD Parks (Evers & Tom Jermin Sr. Park, aka Bethel Road Park)
4. Anywhere there is dry grass

If you or one of your family members starts a fire, you can be held liable for suppression costs and other damages. Anyone under age 18 should only use fireworks under direction of an adult. So please be smart and careful when using safe and sane fireworks. If you have any questions about fireworks within the Templeton CSD boundaries, please call Templeton Fire and Emergency Services for more information at (805) 434-4911.
