SUBJECT: Templeton Fire Stairclimb Team

On March 8, 2020, for the seventh straight year, 6 members of the Templeton Fire and Emergency Services will be participating in the 29th annual Leukemia and Lymphoma Society (LLS) Firefighter Stairclimb. The mission of The Leukemia & Lymphoma Society (LLS) is to: Cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

This year the Templeton Fire Stairclimb Team will be climbing in honor of Stephanie Rothbauer, Olivia Sartain, Andrea Ingwerson, Fire Chaplin Richard Burch and little Maddy Gonzalez (Team Maddy), and in memory of retired Fire Captain Mike Erb and longtime Administrative Secretary Celeste English.

We also climb in honor of all others from our community who are fighting cancer. Even though they may not be fighting blood cancers this is our way as Firefighters to help find a cure for all cancers. We climb for those who can't!

We would love for the public to support our Department. All donations are tax deductible and more importantly help in the fight against blood cancers. To make a donation to the TEMPLETON FIRE STAIRCLIMB TEAM please click on the link below:
